BUSINESS GROWTH NETWORK

The Business Growth Network (BGN), founded in 2003, is a community of entrepreneurs who participate in monthly small group meetings and larger quarterly events in order to find ways to "work on their business and not just work in their business".

WithumSmith+Brown offers clients the benefits of a larger CPA firm without sacrificing the attention and dedicated service that one expects from a smaller and more personal firm. WS+B provides accounting and financial services to a broad spectrum of industries that range in size from small, entrepreneurial startups to larger, publicly-held companies.

Tony Panico is a partner in WithumSmith+Brown's Healthcare Services Group and works with healthcare and not-for-profit tax clients. He is a licensed CPA in the states of New Jersey and New York with over 15 years of professional experience providing tax, auditing and consulting services. Tony specializes in providing tax compliance and consulting services to the healthcare and non-profit sectors, specializing in providing tax advice to integrated healthcare delivery systems, hospitals, and medical centers. He is also the Team Leader of WS+B's Health Care Reform Advisory Team.
